

CURRICULUM VITAE

Dott. Alberto Agazzi

Titles

- 1978 Diploma at School of Languages "Enrico Fermi", Bergamo (I)
- 1989 Medical and Surgical degree (100/110), University of Milan (I)
- 1989-1990 Training at the Trombosis and Haemophilia Institute Angelo Bianchi Bonomi, University of Milan (dir. Prof. Pier Mannuccio Mannucci)
- 1990-1992 Training at the Division of Hematology, Ospedali Riuniti di Bergamo (I)
- 1992 Diploma of Speciality in Clinical and Laboratory Hematology, University of Milan (I) (65/70).

Working experiences:

- 1987-1989 Fellow at the Gyneacology and Obstetric Divison, San Gerardo dei Tintori Hospital, Monza (University of Milan I), dir. Prof. Costantino Mangioni
- 1989 Fellow at Thrombosis and Heamophilia Institute Angelo Bianchi Bonomi (University of Milan I), dir. Prof. Pier Mannuccio Mannucci
- 1990-1992 Fellow at Hematology Division Ospedali Riuniti di Bergamo I, dir. Prof. Tiziano Barbui
- 1992-1995 Specialist Fellow at the Heamostasis Unit, San Raffaele Hospital, Milan (I), dir. Dr. Armando D'Angelo
- 1994 Consultant MD for the anticoagulant Unit of the Ponte San Pietro Hospital (Bergamo, I), dir. Dr. Emilio Civardi
- 1996 Fellow at La Carità Hospital, Locarno (CH) dir. Prof Franco Cavalli
- 1996-1997 Fellow at the laboratory of hematological morfology , Lugano Hospital (CH), dir. Dr. Giancarlo Scali
- From 1/1/1997 Senior Assistant, Cilinical Hematology Division, European Institute of Oncology, Milan (I)

Areas of interest.Scientific and clinical competences:

- morfologic and immunophenotipic profiles for the haematological diseases
- diagnostics e therapeutics for diseases of haemostasis and thrombosis
- high dose chemotherapy and stem cell transplantation for hematological diseases and solid tumors
- new therapeutical approaches (immunological and radiometabolic) for the chronic lymphoproliferative diseases and new drugs for multiple mieloma

Languages:

- English (written and spoken)
- French (written and spoken)

Continuing Medical Education:

- February 1994: International Winter Meeting on Coagulation
- March 1997: EBMT Congress, Annecy (F)
- June 1997: Cytometry Advanced Course ISHAGE, San Diego (USA)
- October 1997: Meeting of the Italian Group of Flow Cytometry (GIC), Rimini (I)

- May 1998: Cytometry Advanced Course and new perspective in bone marrow transplantation ISHAGE, San Diego (USA)
- June 1998: ISHAGE Meeting, Baltimore (USA)
- May 1999: Pratical Course on Flow Cytometry ISHAGE, San Diego (USA)
- June 1999: ISHAGE Meeting, Oslo (N)
- September 1999: European Working Group on Cell Analysis, Urbino (I)
- November 1999: GIC Meeting, Piano di Sorrento (I)
- September 2000: speaker on monoclonal gammopathy, state of art (invited by the Swiss Society of Internal Medicine, Strasbourg (F)
- October 2000: GIC Meeting, Urbino (I)
- May 2001: IELSG (International Extranodal Lymphoma Study Group) meeting, Ascona (CH)
- July 2001: XVIII Congress of the Internazional Society of Thrombosis and Haemostasis, Paris (F)
- March 2005: meeting on Bortezomib for Myeloma, Athens (GR)
- May 2005: GITMO annual meeting, Rome (I)
- December 2005: speaker at the national meeting on Thrombosis and Haemostasis in cancer (Ist. Clinico Humanitas, Milan I)
- 10 November 2006: speaker at the european meeting on “is VAD still the first line therapy in multiple myeloma?” (EIO meeting, Milan I)
- 26 October 2007: speaker at the national meeting on “Haemostasis and Thrombosis, Vascular Diseases in Anesthesia” (EIO meeting, Milan I)
