

## INFORMAZIONI PERSONALI

Nome ALETTI Giovanni Damiano  
Cittadinanza ITALIANA  
Data di nascita 30/10/1973

## CURRICULUM FORMATIVO

### Studi compiuti - Titoli di studio

1992

- Diploma di scuola secondaria superiore (maturità scientifica), presso Liceo Scientifico "Sacro Cuore", Milano.  
Voto conseguito: 60/60

1998

- Laurea in Medicina e Chirurgia presso Università degli Studi di Milano  
Tesi: Role of Urokinase Receptor (u-PAR) in Ovarian Cancer  
Voto conseguito: 110/110 e lode

1999

- Abilitazione all'esercizio medico e chirurgo presso Università degli Studi di Milano
- Iscrizione all'Ordine dei Medici di Milano

2004

- Diploma di scuola di specializzazione in Ostetricia e Ginecologia presso Università Vita Salute S.Raffaele/Fondazione San Raffaele del Monte Tabor, Milano  
Titolo della Tesi: Presence Of Serine Protease HtrA1 Confers Cisplatin Sensitivity In Ovarian Cancer Cell Lines
- Voto conseguito: pieni voti assoluti con lode

2005

- Abilitazione all'esercizio medico e chirurgo negli Stati Uniti certificato da ECFMG - Educational Commission for Foreign Medical Graduates

2009

- Fellowship in Oncologia Ginecologica presso la Mayo Clinic in Rochester, Minnesota

2012

- Abilitazione Scientifica Nazionale Settore Concorsuale 06/H1 - I Fascia  
Certificata da: Ministero dell'Istruzione, dell'Università e della Ricerca - ROMA

- Abilitazione Scientifica Nazionale Settore Concorsuale 06/H1 - II Fascia  
Certificata da: Ministero dell'Istruzione, dell'Università e della Ricerca - ROMA

### **Esperienze Formative**

#### **Allievo (pre-laurea)**

1995-1996

Frequenza in qualità di studente interno presso il Dipartimento di Medicina Interna, Padiglione "L.Sacco", Ospedale Policlinico - Università di Milano

1996 - Frequenza in qualità di studente interno presso il Dipartimento di Chirurgia Generale, Padiglione "Monteggia", Ospedale Policlinico - Università di Milano

1996-1998 - Frequenza in qualità di studente interno presso il Dipartimento di Ostetricia e Ginecologia, Ospedale San Raffaele - Università di Milano - Durante il periodo come studente interno presso il reparto di Ginecologia diretto dal Prof. Ferrari, si è dedicato in modo particolare al settore della Ginecologia Oncologia, assistendo i principali interventi chirurgici ginecologici, seguendo l'Ambulatorio di Oncologia Ginecologica, e il reparto di Oncologia Ginecologica, acquisendo le principali nozioni riguardo all'utilizzo e alla modalità di somministrazione dei diversi farmaci chemioterapici per le diverse patologie ginecologiche. Ha inoltre partecipato attivamente alle riunioni multidisciplinari di discussione dei casi clinici.

### **Formazione Post-Laurea**

#### **Fellowship di ricerca**

9/2003-9/2004

Basic Research Fellowship presso la Mayo Clinic, Rochester, MN.

Focus della fellowship: Role of the tumor suppressor gene HtrA1 in ovarian cancer chemosensitivity, sotto la supervisione e il training di laboratorio da parte della Prof. Viji Shridhar, PhD.

Clinical Research Fellowship presso la Mayo Clinic, Rochester, MN.

Focus della fellowship: Role of surgical effort in the management of ovarian cancer sotto la supervisione del Dr. William Cliby, MD.

12/2005-6/2006

Research fellowship Mayo Clinic, Rochester, MN.

Focus della fellowship: Role of folate receptor in ovarian cancer, sotto la supervisione del Dr. William Cliby, MD.

#### **Formazione statistica/scientifica**

Durante questi periodi di formazione, ha partecipato a corsi di statistica medica, medical writing and presentation, acquisendo una capacità di utilizzare programmi di statistica (JMP, SAS), e indipendenza nell'eseguire analisi statistiche per studi clinici

#### **Fellowship clinica**

6/2006-6/2009

Clinical Fellowship in Gynecologic Oncology presso la Mayo Clinic, Rochester Minnesota (Direttore della Fellowship: Dr. William Cliby)

Il percorso formativo della fellowship prevede un anno di ricerca di laboratorio, in cui ha proseguito gli studi clinici e di ricerca di base iniziati precedentemente. I due anni successivi di formazione clinica prevedono l'apprendimento della gestione delle

patologie ginecologiche dal punto di vista diagnostico/terapeutico, con rotazioni presso diversi Dipartimenti (Chirurgia Gineco-Oncologica: 20 mesi, Chirurgia Colo-Rettale: 1.5 mesi, Chirurgia Generale: 1.5 mesi, Terapia Intensiva: 1 mese, Oncologia Medica: 1.5 mesi; Radioterapia: 1.5 mesi).

### **Posizione e incarichi attuali**

1/2/2018 - oggi

- Professore Associato in Ostetricia e Ginecologia (MED/40), presso il Dipartimento di Oncologia ed Emato-Oncologia, Università degli studi di Milano

1/11/2017-oggi

- Direttore dell'Unità di Strategie Innovative nel Carcinoma Ovarico, presso Istituto Europeo di Oncologia (IRCCS), Divisione di Ginecologia Oncologia

1/8/2009-oggi

- Co-Responsabile clinico del Centro di Alta Specialità per il Trattamento del carcinoma Ovarico presso Istituto Europeo di Oncologia (IRCCS), Divisione di Ginecologia Oncologia (Centro di Eccellenza con certificazione ESGO - European Society of Gynecologic Oncology - [www.esgo.org](http://www.esgo.org))
- Tutor e istruttore di chirurgia oncologica nell'ambito della fellowship di Ginecologia Oncologica certificata ESGO (European Society of Gynecologica Oncology - [www.esgo.org](http://www.esgo.org)) e di ESAGON (European school of Abdominal Pelvic Surgery) presso Istituto Europeo di Oncologia (IRCCS), Divisione di Ginecologia Oncologia

### **Ruoli assistenziali precedenti**

1/8/2009-31/10/2017

- Vice-Direttore (Dirigente Medico a tempo indeterminato) presso Istituto Europeo di Oncologia (IRCCS), Divisione di Ginecologia Oncologia

01/02/2005 - 30/11/2005

- Consulente specialista (Dirigente Medico libero professionista) in Ostetricia e Ginecologia presso Ospedale San Raffaele (IRCCS) - Milano

07/1/2005-28/2005

- Ha partecipato come volontario Ginecologo e Ostetrico al progetto di creazione di Ospedale da campo in Sri Lanka, dopo lo Tsunami, con mansioni cliniche e organizzative, in collaborazione con l'Ospedale san Raffaele di Milano e il C.A.I. sezione di Bergamo

### **Attività clinica**

1999-2004

Ha svolto attività clinica durante la Scuola di Specializzazione in Ostetricia e Ginecologia presso l'Ospedale S.Raffaele di Milano (6 mesi presso l'Istituto Clinico Humanitas, Rozzano), con svolgimento di attività di Sala Parto, Pronto Soccorso Ostetrico-Ginecologico, Reparti di Ostetricia e Ginecologia, Sala Operatoria Ginecologica e Ostetrica. Durante la formazione come specializzando in Ostetricia e Ginecologia, ha sviluppato le competenze per una autonomia clinica di base sia in ambito ostetrico che ginecologico. Nel suddetto periodo, si è dedicato con prevalente interesse all'Oncologia Ginecologica, ai percorsi diagnostico-assistenziali e al trattamento chirurgico e medico delle patologie gineco-oncologiche, con prevalente interesse per il tumore ovarico.

6/2007-6/2009

Ha svolto attività clinica nel percorso formativo della Fellowship in Ginecologia Oncologica presso la Mayo Clinic, Rochester, MN (USA). Durante questo periodo ha appreso le principali tecniche chirurgiche (laparotomia, laparoscopia, chirurgia robotica

e laparoscopia) per il trattamento delle neoplasie ginecologiche. Al termine del processo formativo, della fellowship ha acquisito un'indipendenza operatoria nelle principali tecniche chirurgiche. Ha infatti effettuato, prima sotto tutoraggio diretto dei Mentori, e successivamente come primo operatore/tutor più di 70 interventi di citoreduzione primaria per neoplasia ovarica, incluso resezioni del retto-sigma e anastomosi e/o resezioni ileali con anastomosi, confezionamento di stomie derivate, deperitoneizzazione diaframmatica e parietale, omentectomia radicale, splenectomia, linfadenectomia pelvica e aortica, nel contesto della chirurgia citoreducente per tumore ovarico. Nel contesto del tumore del corpo uterino, ha acquisito indipendenza nella tecnica di isterectomia laparotomica e vaginale, isterectomia laparoscopica e robotica, e stadiazione linfonodale pelvica e aortica in laparotomia e chirurgia robotica (>50 interventi). Ha inoltre appreso la tecnica per l'isterectomia radicale laparotomica e robotica per il trattamento del tumore del collo dell'utero (>20 interventi), e la tecnica di vulvectomia radicale con dissezione linfonodale inguinale (>5 interventi).

Oltre all'attività di sala operatoria, l'attività clinica ha previsto la valutazione preoperatoria e la discussione collegiale delle pazienti per l'indicazione chirurgica, e la successiva gestione postoperatoria delle pazienti nel decorso post-operatorio, con particolare enfasi sulla gestione delle complicanze e sulle indicazioni ai trattamenti successivi (chemioterapia o radioterapia), con i Medici Referenti delle Divisioni di Oncologia Medica e Radioterapia

1/8/2009-oggi

Dal termine della fellowship, ha assunto responsabilità cliniche come Vice-Direttore (Dirigente Medico prima con contratto libero professionale e successivamente con contratto a tempo indeterminato) presso l'Istituto Europeo di Oncologia (IRCCS), Divisione di Ginecologia Oncologia, diretta dal Dr. Angelo Maggioni. Durante questo periodo ha svolto più di 850 di chirurgia maggiore come primo operatore, più di 650 come secondo operatore/tutor. Dal 1/11/2017 ha assunto il ruolo di Direttore dell'Unità di Strategie Innovative nel Carcinoma Ovarico.

### **Attività didattica**

1/2/2018 - oggi

- Professore Associato in Ostetricia e Ginecologia (MED/40), presso il Dipartimento di Oncologia ed Emato-Oncologia, Università degli studi di Milano

05/2012-oggi

- Attività didattica come Tutor e istruttore di chirurgia oncologica nell'ambito della fellowship di Ginecologia Oncologica presso l'Istituto Europeo di Oncologia. Il programma di fellowship è certificato dalla ESGO (European Society of Gynecological Oncology - [www.esgo.org](http://www.esgo.org)). L'attività didattica prevede l'insegnamento frontale in sala operatoria con il discente fino all'apprendimento delle tecniche chirurgiche ginecologiche-oncologiche e dell'approccio multidisciplinare alle pazienti con tumori ginecologici, dell'approccio diagnostico/terapeutico alle pazienti con tumori ginecologici. Numero dei discenti fino ad oggi: 10, numero dei discenti certificati: 1

01/08/2009 - oggi

- Attività didattica come Tutor e istruttore di chirurgia oncologica nell'ambito ESAGON (European school of Abdominal Pelvic Surgery) presso Istituto Europeo di Oncologia (IRCCS), Divisione di Ginecologia Oncologia. L'attività didattica prevede l'assistenza del discente all'attività di sala operatoria con apprendimento dell'approccio multidisciplinare alle pazienti con tumori ginecologici. L'attività didattica prevede lezioni teoriche a piccoli gruppi (numero lezioni tenute: 20) e corsi di chirurgia su cadavere (numero lezioni tenute: 2) / animali (numero lezioni tenute: 1)

01/08/2009 - oggi

- Attività didattica nell'ambito della Scuola Infermieristica, nel Master Infermieristico e attività di aggiornamento allo Staff Infermieristico di Reparto c/o Istituto Europeo di Oncologia

30/06/2008 - 30/06/2009

- Attività di tutoraggio e insegnamento agli specializzandi (residents) di Ginecologia e Ospetricia e agli specialisti in formazione in Oncologia Ginecologica (fellows) dei primi 2 anni nell'ambito della fellowship in Oncologia Ginecologica presso la Mayo Clinic in Rochester, Minnesota

## **BIBLIOGRAPHY**

### ***Presentazioni/inviti a congressi nazionali/internazionali***

24/04/2001 - Tension Free Vaginal Tape in the Treatment of Urinary Stress Incontinence after Radical Surgery and Following Radiotherapy  
12<sup>th</sup> International Meeting of Gynecological Oncology (ESGO) - Venezia

19/04/2002 - Bowel Occlusion in Advanced Ovarian Cancer: Medical And Surgical Care - Ovarian Cancer Updating - Bergamo

23/03/2005 - Ovarian cancer surgical resectability: relative impact of disease, patient status and surgeon. Focused Plenary oral presentation.  
SGO Annual Meeting on Women's Cancer - Miami, FL

20/03/2005 - Impact of diaphragm resection on outcomes in ovarian cancer. Focused Plenary oral presentation.  
SGO Annual Meeting on Women's Cancer - Miami, FL

18-23/03/2005 - Extent of surgical effort is an independent predictor of survival in advanced ovarian cancer. Featured Poster presentation.  
SGO Annual Meeting on Women's Cancer - Miami, FL.

26/03/2006 - Is it justified to classify patients to Stage IIIC epithelial ovarian cancer based on nodal involvement only? Focused Plenary oral presentation.  
SGO Annual Meeting on Women's Cancer - Palm Springs, CA

22-26/03/2006 - Is time to chemotherapy a determinant of prognosis in advanced-stage ovarian cancer? Featured Poster presentation.  
SGO Annual Meeting on Women's Cancer - Palm Springs, CA

22-26/03/2006 - Role of rectosigmoidectomy and stripping of pelvic peritoneum in outcomes of patients with advanced ovarian cancer. Featured Poster presentation.  
SGO Annual Meeting on Women's Cancer - Palm Springs, CA

03-07/03/2007 - A new frontier for quality of care in gynecologic oncology surgery: Multi-institutional assessment of short-term outcomes for ovarian cancer using a

risk-adjusted model. Plenary Oral presentation.  
SGO Annual Meeting on Women's Cancer - San Diego, CA

3-7/03/2007 - Assessing quality and effectiveness of surgery for ovarian cancer: Benefits of a risk adjustment model. Featured Poster presentation.  
SGO Annual Meeting on Women's Cancer - San Diego, CA

3-7/03/2007 - Stage IV ovarian cancer: Disease site-specific considerations for postoperative treatment. Featured Poster presentation.  
SGO Annual Meeting on Women's Cancer - San Diego, CA

12-14/04/2007 - Analysis of factors contributing to complications in ovarian cancer surgery: need for risk-adjustment model of surgical outcomes. Oral presentation.  
SGS Annual Meeting - Orlando, FL

06/2007 Role of serine protease HtrA1 in ovarian cancer progression and metastasis. Oral Presentation.  
WAGO annual meeting - Sunriver, OR

04/2008 - Aggressive and Complex Surgery for Advanced Ovarian Cancer: An Economic Analysis. Oral presentation  
SGS Annual Meeting - Savannah, GA

31/05/2008 - "Debulk or not debulk?" An answer to an hamletic dilemma using a multi-institutional risk-adjusted model for evaluation of outcomes.  
ASCO annual Meeting - Chicago, IL

13/10/2008 Quality improvement (QI) in the surgical approach to advanced ovarian cancer (OC): the Mayo Clinic experience. Oral presentation  
American College of Surgeons Annual Meeting - San Francisco, CA

28/10/2008 Quality improvement (QI) in the surgical approach to advanced ovarian cancer (OC): the Mayo Clinic experience. Oral presentation  
12th Biennial Meeting International Gynecologic Cancer Society - IGCS; Bangkok, Thailand

25-28/10/2008 Pattern of retroperitoneal dissemination of primary peritoneum cancer: Basis for rational use of lymphadenectomy. Poster presentation.  
12th Biennial Meeting International Gynecologic Cancer Society - IGCS; Bangkok, Thailand

25-28/10/2008 "Debulk or not debulk?" An answer to an hamletic dilemma using a multi-institutional risk-adjusted model for evaluation of outcomes. Poster presentation.  
12th Biennial Meeting International Gynecologic Cancer Society - IGCS; Bangkok, Thailand

6/2/2009 Intraperitoneal Chemotherapy for Ovarian Cancer: Exploring the "Dark Side" of the Moon. Oral Presentation.  
SGO Annual Meeting on Women's Cancer; San Antonio, TX.

29/5/2010 Robotics in gynecologic surgery: fact or myth? - oral presentation  
IX International Biannual Meeting S.E.G.i - Maratea, Italy

16/12/2010 Treatment of early stages ovarian cancer - oral presentation  
Updates on Ovarian Cancer - Rome, Italy

1/04/2011 Role of Minimally invasive surgery in Ovarian Cancer - oral presentation  
M.I.T.O. Meeting (Multicenter Italian Trials in Ovarian Cancer) - Pisa, Italy

14/09/2011 How extensive should surgery be for advanced ovarian cancer: what is the optimal timing for frontline surgery in ovarian cancer: upfront or following chemotherapy? Surgeon's perspective - oral presentation  
17<sup>th</sup> International Meeting of the European Society of Gynecologic Oncology (ESGO) - Milan, Italy

15/10/2011 Surgical training in Gynecologic Oncology - How to bring to Italy the US experience - oral presentation  
24<sup>th</sup> National Meeting of the Italian Society of Young Surgeons (SPIGC) - Napoli, Italy

16/11/2011 Center of Excellence for ovarian cancer patients: what does the patient gain? - oral presentation  
Stockholm, Sweden

16/11/2011 Standards and Quality Criteria for Ovarian Surgery - oral presentation  
6<sup>th</sup> International Conference of Biologic Therapy  
Vilnius, Lithuania

20/03/2012 Primary Cytoreduction in Ovarian Cancer: Results and Morbidity - oral presentation  
23<sup>rd</sup> National Conference of the Italian Society of Gynecologic Oncology - Verona, Italy

## PREMI/RICONOSCIMENTI PER MERITI SCIENTIFICI

1. SGS President's award for outstanding research in Gynecologic Surgery  
32<sup>nd</sup> Annual SGS Meeting Scientific Meeting. April 3-5, 2006. Tucson, AZ  
Awarded by Dr. Karl Podratz, MD, PhD. President
2. SGS President's award for outstanding research in Gynecologic Surgery  
33<sup>rd</sup> Annual SGS Meeting Scientific Meeting. April 12-14, 2007. Orlando FL  
By Dr. Peggy Norton, MD. President
3. Mayo Brothers Distinguished Fellowship Award for 2008
4. 2008 ASCO Foundation Merit Award - May 30- June 2, 2008. Chicago, IL
5. WAGO 2007 "J.G. Moore Award 2007" for outstanding paper on basic science  
research. June 2007. Sunriver, OR
6. 6/19/2014: Certificate of Reviewing Excellence - Elsevier and the Editors of  
Gynecologic Oncology
7. May 2015: Certificate of Recognized reviewer - Critical Reviews in Oncology /  
Hematology
8. August 2015: Certificate of Recognized reviewer - Gynecologic Oncology
9. June 2016: Certificate of Outstanding reviewer - Gynecologic Oncology
10. October 2016: Certificate of Recognized reviewer - American Journal of  
Obstetrics and Gynecology
