

Personal Details

Marta Tagliabue M.D.

Place of Birth: Cantù, Como, Italy

Date of Birth: 26/09/1981

Citizenship: Italian

Languages: Italian, English, Spanish

Education and PHD/Masters/Courses

- July 2011: ENT Graduation, University of Pavia - Fondazione IRCCS Policlinico S. Matteo. Thesis title: "Developing a predictive model for estimating probability of post-operative complications among patients with head and neck carcinoma subjected to major surgery". Final graduation 50/50 cum laude.

- February 2007 National Habilitation for Medical Doctors, score 60/60

- July 2006 Graduation in Medicine and Surgery ,University of Pavia, Italy. Thesis title: "Breast cancer in internal quadrants: our proposal for a surgical oncoplastic therapy". Final graduation 110/110 cum laude.

Clinical Activities carried out at IEO

From 2001: Medical Doctor Assistant and Researcher at ENT- Head and Neck Surgical Department, European Institute of Oncology (IEO), Milan, Italy

Main tasks:

- Working in hospital ward, ambulatories and surgery rooms
- Research on HPV oropharyngeal cancer and laryngeal target therapy
- Oral cavity cancer: surgical therapy and reconstruction

2005 (July): hospital work with COE at Mbalmayo, Cameroon

2004 (September) – 2005 (June): Erasmus exchange program, Complutense University, Madrid, Spain

2002 (July): hospital work with CUAMM at Iringa-Tosamaganga, Tanzania, Africa

Research Activities carried out at IEO

- Member of the multidisciplinary task force: Tumor Virology, European Institute of Oncology
- Member of the IEO Team for the IARC study: VII European Framework on HPV-AHEAD EUROPE; role of HPV in head and neck cancer
- "HPV-related oropharyngeal cancer: salivary and blood antibodies as new tools for secondary prevention".
- Target therapy in laryngeal cancer
- Researcher in an international study of chemoprevention: "Phase IIB Randomized, Placebo Controlled Trial of Pioglitazone for Oral Premalignant Lesions: An Inter-Consortium Collaborative Study". NCI coordinator, principal Consortium Name: University of Texas MD Anderson Phase I/II Prevention Consortium Name of Consortium Principal Investigator: Powel H. Brown, MD, PhD, Professor and Chair, Department of Clinical Cancer Prevention University of Texas MD Anderson Cancer Center (2012-13)

Awards and other Recognitions

2011 Amplifon award for best Specialist Thesis in Otolaryngology , Thesis title: "Developing a predictive model for estimating probability of post-operative complications among patients with head and neck carcinoma subjected to major surgery"
