10:20 • Q&A and discussion

Discussants:
Melin Aydan Ahmed, Ilgin Akbiyik, Musa Baris Aykan, Eda Caliskan Yildirim

11:00 Coffee Break

11:15 SESSION 2 ADVANCED HORMONE RECEPTOR-POSITIVE, HER2-NEGATIVE BREAST CANCER
Moderators *Antonio Marra, Elisabetta Munzone*

11:20 • First-line strategies
Elisabetta Munzone

11:35 • Mechanisms of resistance in ER+/HER2- breast cancer
Konstantinos Venetis

11:50 • Sequencing of endocrine therapies and targeted agents in second line
Monica Milano

12:05 • Emerging therapeutic options
Antonio Marra

12:20 • Q&A and discussion
Discussants:
Eduardo Buendía Villa, Emir Celik, Ahmet Gulmez, Elanur Karaman

13:00 Lunch Break

13:45 CLINICAL CASES PRESENTATION
Chair *Giuseppe Curigliano, Nuri Karadurmuş*
Two clinical cases illustrating therapeutic decision-making in hormone receptor-positive disease

14:15 SESSION 3 HER2-POSITIVE BREAST CANCER ACROSS DISEASE STAGES
Chairmen *Giuseppe Viale, Nicola Fusco*

14:20 • Evolving definition of HER2 expression (including HER2-low)
Giuseppe Viale

14:35 • **HER2-resistance in HER2-positive breast cancer**
Nicola Fusco

14:50 • **Established and emerging approaches in early-stage disease**
Nadia Bianco

15:05 • **Treatment strategies in metastatic disease**
Gabriele Antonarelli

15:20 • **Q&A and discussion**
Discussants:
Saadetin Kilickap, Mehmet Kucukoner, Mustafa Murat Midik, Birol Ocak, Consuelo Irene Gutierrez Colín

16:00 **Coffee Break**

16:15 **Interactive Session Challenging Cases in Clinical Practice Audience-submitted cases with panel discussion**

17:15 **Day 1 conclusions**
Giuseppe Curigliano

DAY 2 NOVEMBER 22ND

09:00 **SESSION 4 TRIPLE-NEGATIVE BREAST CANCER: FROM EARLY DISEASE TO ADVANCED SETTINGS**
Moderators *Giuseppe Campenni, Emilia Montagna*

09:05 • **Evidence and nuance of immunotherapy in early TNBC**
Silvia Della Pasqua

09:20 • **Integrating ADC in advanced TNBC**
Giuseppe Campennì

09:35 • **Evidence in second and later line TNBC**
Monica Iorfida

09:50 • **Emerging novel drugs in TNBC**
Emilia Montagna

10:05 • **Q&A and discussion**
Discussants:
Ilker Nihat Okten, Mediha Irem Onar, Ilknur Deliktas Onur, Harun Muglu

10:45 **Coffee Break**

11:00 **CLINICAL CASES PRESENTATION**
Chair *Dario Trapani, Mehmet Ali Şendur*
Two clinical cases focusing on HER2-positive or triple-negative disease

11:30 **SESSION 5 MULTIDISCIPLINARY PERSPECTIVES IN BREAST CANCER CARE**
Moderators *Edoardo Crimini, Elena Guerini Rocco*

11:35 • **Pearls on rare histology types of breast cancer**
Elena Guerini Rocco

11:50 • **A Molecular Tumour Approach in breast cancer**
Edoardo Crimini

12:05 • **Incorporatingpatient-experienceinearly-phasetrials for patients with breast cancer**
Gabriella Pravettoni

12:20 • **The Ethics of Uncertainty: Offering Experimental Treatment in Early-Phase Oncology for Breast Cancer**
Virginia Sanchini

12:35 • **Q&A and discussion**
Discussants:
Muhammed Fatih Sagiroglu, Mustafa Seyyar, Eda Tanrikulu Simsek, Ece Ulukal Karanci
